

Denominational Group Programs

Master and Group Affiliated Programs (GAP)

GuideOne's Master and Group Affiliated Programs (GAP) allow you to insure religious organization headquarters and affiliated institutions under a collective program. In addition to offering superior protection and risk management resources to help your insureds safeguard their ministries, our programs provide additional benefits, including the following advantages:

- + Comprehensive insurance packages for all lines of business with one of the nation's largest religious organization carriers that's rated A- (Excellent) by AM Best. For the latest rating, access [ambest.com](https://www.ambest.com).
- + Specialized members-only coverage tailored for each of your groups.
- + Unique value-added services designed specifically for the needs of religious organizations.
- + Cutting-edge technology for claims and risk control, including drone inspections and virtual claims inspections with Livegenic.
- + Personalized engagement and collaboration with a dedicated team of underwriting experts committed to helping you succeed.
- + On-site and virtual agency visits to understand your organization's unique needs.
- + Virtual collateral library of branded materials available for download or print.
- + Co-branded marketing materials, *and more!*
